

2019 Poutama Matauranga Academic Celebration

University of Cambridge Top Scholars 2020

These awards recognise students who attained outstanding results in the 2020 Cambridge examinations . To achieve in Cambridge to such a high level students have had to be persistent, organised and focussed. They have also shown tenacity with a never give up attitude, as at times the Cambridge syllabus can be quite challenging.

Top Scholar Award - this award recognises the students who gained a grade of 80% or higher in their Cambridge Course and achieved the highest mark from SGHS candidates in this learning area.

NCEA Awards

These awards are to recognise those students whom in NCEA Level 1 gained Merit or Excellence endorsements in their subjects. This requires students to achieve at least 14 credits at the respective level. We also recognise those who have gained their NCEA Level 1 Certificate endorsed with either Merit or Excellence. To have a certificate endorsed the student had to gain 50 credits or greater at the respective level. Students who have gained an Excellence certificate will receive an Academic Colour for their Blazer. The students' highest level of award is published in this list.

Scholarship 2019

We would like to congratulate our successful scholarship candidates from 2019 and recognise their outstanding achievement. New Zealand Scholarship enables candidates to demonstrate high-level critical thinking, abstraction and generalisation. They can integrate, synthesise and apply knowledge, skills, understanding, and ideas to complex situations.

- Emma Jones in Music as a Level 12 Student
