REMINDERS AND UPDATES

STUDENT SICKNESS DURING SCHOOL TIME

If your child falls ill during school time, please ensure they let their teacher know in the first instance, and Student Services will notify parents/caregivers.

We are seeing more and more parents arriving at Student Services requesting to pick up their child, but the school is not aware of their child being unwell and requesting to go home. We must ensure that all students when leaving during the school day, must sign out correctly via the Student Services Desk if they are ill or leaving for appointments. This is in case of an emergency and for the welfare of your child.

We appreciate your assistance with reminding your child(ren) of this.
