30th End of Term 2 Reports Published on Parent Edge App

July

14th Matariki (Public Holiday)

REMINDERS AND UPDATES

Road Safety Outside Southland Girls High School

The ICC parking administration team have advised the school that due to the illegal parking habits at school drop and pick up times they will now be patrolling this area and issuing infringements. Please **do not** park over yellow lines, driveways, double park, park on footpaths or exceed the speed limits.

We also ask that you **do not use** the staff car park areas for pick up and drop off's – this causes a lot of congestion and is dangerous for students and staff exiting and arriving to school.

The ICC have reduced the speed zone on Tweed Street outside SGHS. This means in addition to the speed restriction of 20kph when passing a stationary school bus, as per the Roding and Traffic Bylaw 2022, and the National Speed Limit Register, the times during which the variable speed limit of 30 kph applies is

- 8.15am until the start of school at 8.50am
- 20 minutes after the end of school, commencing no earlier than 5 minutes before the end of school (3.05pm to 3.30Pm)
- 10 minutes at any other time during a school day when at least 50 children cross the road or enter or leave a vehicle at the roadside.

To reduce congestion and increase student safety outside the school at these key times, we ask that you consider alternative safe 'drop off zones', such as on Islington Street with access via walking bridge to the gate by the Gym, Princess and Nelson Streets with controlled access via the pedestrian crossing or via Miller Street, rather than directly outside the school building e.g please do not pull in where the school Information Sign is located next to the Connexions area or the East Car Park. (from the SGHS Whānau Hononga Booklet Pg 11)

Y7-13 ICAS Exam Information

Your child has the opportunity to participate in the following ICAS exams this year. ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee and Digital Technologies.
