NCEA Evidence Setting Exams

Wednesday 6th September – Tuesday 12th September

- Morning Examinations begin at 9:00 am and can be 1 – 3 hours long.
- Afternoon Examinations begin at 1:00 pm and can be 1 – 3 hours long. Students will need to be available until 4:00 pm.

The timetable will be available by Week 4 Term 3, so students can let their employers and sports coaches know when they are unavailable due to examinations.

Employers' responsibilities under the Education and Training Act 2020 state that students are not required to work in times that interfere with the student doing schoolwork.

These exams provide important evidence about student's achievement of assessment criteria. They help students and teachers to develop feed forward for next learning steps as well as evidence if a derived grade is required due to unforeseen circumstances in the NCEA examinations at the end of the year.

Attendance at evidence examinations is compulsory for all students enrolled in the course.

Cambridge Evidence Setting Exams

These will be held during school time from Monday 4th September – Friday 15th September. The timetable will be available for students and whānau by week 4 this term.
