TE KURA TAITAMAWĀHINE O MURIHIKU

Kia ora Parents and Caregivers,

Please find below some important links to various information you will need prior to your child starting at Southland Girls' High School. All this information is accessible on our school website: www.southlandgirls.school.nz – please use this as your reference point.

Uniform: our school has an online store for new uniform purchases. Click [HERE](#) for the online store. If you prefer to view the store, please contact our Student Services team (school office) on 03 211 6030 or make an appointment to come in. We will be holding a new and 2nd hand uniform sale on Wednesday 24 January 2024. More information to come late in Term 4, please check your emails for how to book.

Bus information: Is available on the school website. Click [HERE](#). Our Bus Controller is Bill Claridge, please contact him if you have any questions, bill.claridge@southlandgirls.school.nz

BYOD (Bring Your Own Device): If you are unsure what sort of device your child will need at SGHS for their learning next year please Click [HERE](#) to see our recommendations.

Start of Year Information: this will be updated late in Term 4. We will email information to you about the start of year dates and start times. It will also be published to our website on the link [HERE](#)

Stationery Lists 2024: these will be published to the website towards the end of Term 4. Click [HERE](#) to view.

EDGE Parent Portal and EDGE App: we ask that all legal caregivers/parents of students at SGHS download the EDGE app and/or bookmark the EDGE Parent Portal.

For information about the EDGE app and portal you can find this on the links below.

If your child's current school also uses the EDGE system you may find that you can't access SGHS until their current school removes them from their school – this is usually done mid-January. You will still be able to access EDGE just not for SGHS. (Please note we don't currently use the 'notify absence' section in the EDGE portal/app). Click [HERE](#) for instructions.

Subjects for 2024 (Years 9-13): Your child will have the subjects they selected unless you have heard otherwise from Lee Pirini. If you have any questions regarding subjects for 2024, please contact Lee directly; lee.pirini@southlandgirls.school.nz

Social Media Platforms: please follow us on Instagram and Facebook – you don't need a log in to access these pages.
