Ngā mihi nui ki a koe

A heartfelt thank you to all of the whānau, kaiako, directors, coaches, managers, and everyone who has supported our students throughout the year in their many achievements.

We deeply appreciate the immense dedication it take to prepare our students, physically, mentally and emotionally for their performances. From auditions and practices to games, meets, trials and rehearsals across Southland, throughout Aotearoa, and even on the international stage, your commitment has made all the difference.
